

Midland Public Library

Policy Type: **Governance**

Policy Number: **GOV - 01**

Policy Title: **Purpose of the Board**

Initial Policy Approval Date: April 2016

Last Review/Revision Date: February 2020

Year of next review: 2022

The purpose of the Library Board is to govern the affairs of the public library in service to the community through strategic direction and oversight. This policy sets out the work of the Library Board and the ways in which the Library Board achieves its purpose.

1. The Library Board oversees the development of a comprehensive and efficient public library service, through strategic direction and oversight by:
 - a) developing and expressing the Library Board's philosophy and values
 - b) articulating mission, service priorities and long term strategy
 - c) setting policies on governance and service
 - d) delegating authority to the Chief Executive Officer (CEO) and evaluating her/his performance
 - e) planning for further library development
 - f) advocating for library service
 - g) development and implementation of a fundraising and sponsorship plan in cooperation with the Library CEO and staff
 - h) securing the resources to achieve the intended results
 - i) exercising financial oversight
 - j) evaluating strategic results and redeveloping the strategic plan as necessary

2. The Library Board governs effectively by:
 - a) working proactively and making strategic decisions that focus on the library's future and place in the community representing the interests of the community
 - b) providing opportunities for Board development and training
 - c) working effectively as a team
 - d) working collaboratively with the CEO, library staff and the council
 - e) evaluating the Board's performance
 - f) engaging the community in determining responsive and dynamic library service
 - g) behaving with integrity
